DAY 1: FLY TO COSTA RICA

- Meet your Tour Director at the airport in San José

DAY 2: ARENAL REGION

- Start the day with a coffee tour and learn how Costa Rica's plantations produce some of the world's best beans. Explore the supply chain of the famous Costa Rican coffee bean, from the fields where it's grown to the cafes where it's brewed, and discover the essential role coffee plays in the country's agriculture and economy.
- Travel to the Arenal region and get ready for an adventure to remember. Behold the perfect conical shape that emerges from the green hills of Alajuela: this is the fascinating Arenal Volcano. Overlooking the San Carlos plain and the Pacific lowlands, this mile-high volcano has been active for the past 7,000 years. You'll see the volcano from a different angle on your kayaking excursion. Not only does the volcano serve as a watershed for the lake, but it also provides thermal energy for the nearby hot springs. Relax in these naturally heated pools; then, walk to the bottom of the spectacular La Fortuna waterfall.
- Visit Poás Volcano
- Enjoy the hot springs

You'll tour the greenery of the Santa Elena Cloud Forest, where you can look for the rare orchids and elusive quetzal birds that thrive in the perpetual soft mist. At this altitude, you'll literally walk through clouds! Leave a positive mark on the earth when your group plants a tree together. Then, visit a local school, where students will welcome your group with traditional dances.
