MOTHER & DAUGHTER: A TASTE OF ITALY

7 days | Rome | Orvieto | Perugia

From iconic sites to off-the-beaten-path experiences, mothers and daughters will see (and taste) Italy in all its glory. Start in Rome: once the center of the entire Western world, now a must-see city teeming with history. From the Colosseum to the Vatican, explore architectural and historic gems around every corner. Toss a coin in the Trevi Fountain and taste some classic Italian dishes. Continue on to Perugia, capital of the Umbria region and a vibrant cultural hub. Fall in love with this lesser-known part of Italy as you enjoy chocolate creations and a bike tour of the Borghese Gardens.

EVERYTHING YOU GET:

Full-time Tour Director

This trip to Italy was the best time of my life. I got to experience Italian culture and see some of the beautiful buildings and works of art I've learned about in my history classes.

Alsee, Daughter

My daughter has gained such an amazing view of the world and history from this experience. Thank you for all of the organization, helpful hints, flexible payment plan, and knowledgeable tour guides.

Charlotte, Mother
